ASSIGNMENTS

I will give you a schedule of assigned readings, which YOU ARE EXPECTED TO READ ON TIME. You will be writing in class often, and you will be writing several out-of-class papers as well. There will be a final exam.

ATTENDANCE

This is NOT a lecture course, but is a discussion/laboratory course which requires that you be here regularly. In order for you to keep up with the work, and in order to keep your grade up, YOUR DAILY ATTENDANCE IS ABSOLUTELY ESSENTIAL.

EXAMS

There will be a comprehensive final exam, which will be graded in terms of both your understanding of the material and the quality of your writing.

GRADING

I will consider your participation and improvement in your work. However, the quality of your written work will determine your final grade. Grades will be determined:

in-class writing: 30%
out-of-class writing: 30%
final exam: 40%

CONFERENCES

We will confer privately at least twice during the course. Also, I encourage you to make arrangements to see me any other time about your work.

ACADEMIC HONESTY

Dishonesty of any sort in this course can result in a failing grade. I am especially likely to fail any plagiarism from the internet.

DISABILITY INFORMATION

If you have a documented disability, and wish to receive academic accommodation, please contact the Coordinator of the Office of Disability Services at 581-6583 as soon as possible.
